

Is Your School Prepared For An ACTIVE SHOOTER?

SCHOOL VIOLENCE IS ON THE RISE: Are You Prepared?

+1,416%

Since November 2011, there has been a 1,416% increase in school bomb threat incidents.

Dr. Amy Klinger and Amanda Klinger, Esq.

+158%

Based on a study of 812 U.S. schools, violent school threats are up 158% nationally.

National School Safety and Security Services

1 of Every 1,000 Students

Of the 74.6 million students in the U.S., 1 out of every 1,000 students will experience a violent act at school.

National Center for Education Statistics

8 Days

The U.S. hasn't gone more than 8 days without a school mass shooting.

Justin Jerome, 2015, The Independent
